April 2, 2014

Mr. Rich Nagel
General Manager
West Basin Municipal Water District
17140 South Avalon Boulevard, Suite 210
Carson, California 90746-1296

Dear Mr. Nagel:

The Department of Water Resources (DWR) has reviewed West Basin Municipal Water District's (WBMWD) Self-Certification Statement – Tables 1 and 2 submitted on January 27, 2014, regarding implementation of the Urban Best Management Practices (BMPs).

The purpose of DWR's review is to determine WBMWD's eligibility to receive water management grant or loan funds. DWR has followed the *AB 1420 Compliance Requirements* dated January 1, 2009. For detailed information, please visit <http://www.water.ca.gov/wateruseefficiency/finance/>.

Based on DWR's review of the information in Tables 1 and 2, WBMWD has and is currently implementing the BMPs consistent with AB 1420 and, therefore, is eligible to receive water management grant or loan funds.

DWR reserves the right to request additional information and documentation, including reports from WBMWD to substantiate the accuracy of the information provided in Tables 1 and 2. DWR may reverse or modify its eligibility determination and notify you and the funding agency if inaccuracies are found in the supporting documentation or in Tables 1 and 2.

If you have any questions, please contact me at (916) 651-7034 or Betsy Vail at (916) 651-9667.

Sincerely,

A handwritten signature in blue ink, appearing to read "Peter Brostrom".
